

LORENZO DE ZAVALA

THE NATIONAL HISPANIC INSTITUTE PRESENTS 2024 LORENZO DE ZAVALA YOUTH LEGISLATIVE SESSION

The LDZ is an internationally recognized, eight day transformational leadership experience for youth, ages 16-17. Filled with twists and turns, students are challenged to create and manage a student-run government. Through this process, students must voice their opinions, present and defend their ideas and build networks of support. In the LDZ game, you and your peers get to decide what ideas and values are most important to the future. LDZ sparks the creative collaboration that inspires community change!
