

NHI'S COLLEGE REGISTER

The NHI College Register is a membership consortium that actively recruits college-eligible NHI high school students. College Register members or institutions actively participate in NHI's college fairs and receive the academic and extracurricular profiles of student participants as well as a list of NHI graduating seniors, and research conducted about NHI students. NHI students enroll in four-year institutions after high school at a 98% rate and uphold a minimum GPA of 3.0/4.0.
